GWSS 541 A: Research Seminar: Feminist Geographies

- Autumn 2020

View in MyPlan
View in Time Schedule

Meeting Time: Th 2:30pm - 5:20pm
Location: SMI 409
SLN: 15971
Joint Sections: 2020,autumn,GEOG,541,A
Instructor: Kim England

Catalog Description:
Explores major research themes in feminist geographies. Particular attention to the concept that gendered identities and spaces are discursively (re)produced. Emphasizes recent feminist scholarship that emphasizes difference, as well as the intersections between gender, "race," ethnicity, sexuality, age, nationality, class, and other social identities and divisions. Offered: jointly with GEOG 541.

Credits: 5.0
