EDUCATION: B.A., Wilkes College, Wilkes-Barre, Pennsylvania
Summa Cum Laude, June, 1970, in Psychology
M.A., University of Virginia, Charlottesville, Virginia,
August, 1972, in Psychology
Ph.D. University of Virginia, Charlottesville, Virginia,
May, 1974, in Psychology
Advisor: Douglas G. Mook

HONORS AND AWARDS:

DuPont Fellowship, University of Virginia, 1970-1971
Governor's Fellowship, University of Virginia, 1971-1972
Institute of Neurological Sciences Postdoctoral Fellow, University of
Pennsylvania, 1974-1976
National Institutes of Health Research Fellow, 1974-1976
Scholarly Development Award, Graduate School of Arts and Sciences,
University of Washington, 1977-1978
Distinguished Teaching Award, University of Washington, 1988

PROFESSIONAL EXPERIENCE:

Associate Chair and Director of Graduate Training, Department of Psychology,
University of Washington, 2003-present

Director of Graduate Training, Department of Women Studies, University of
Washington, 2000-2012

Director of Undergraduate Education, Department of Gender, Women & Sexuality
Studies, University of Washington, 2012 – present.

Acting Chair, Department of Women Studies, University of Washington, 1999

Assistant to Associate Professor, Department of Psychology and Department of Gender, Women & Sexuality Studies (formerly Women Studies) , University of Washington, 1976-present

Faculty, Physiology-Psychology Joint Program, University of Washington, 1979-1990

National Institutes of Health Research Fellow, Institute of Neurological Sciences, University of Pennsylvania, 1974-1976
Sponsor: Alan N. Epstein

Instructor, Department of Psychology, University of Virginia, 1973-1974

Research Assistant, Department of Psychology, University of Virginia, 1970-1973

PROFESSIONAL SOCIETY MEMBERSHIPS: American Psychological Association, Eastern Psychological Association, National Women Studies Association

RESEARCH SUPPORT:

Principal Investigator, USPHS Grant AM22024:
CNS Regulation of Body Fluids, 1978-1984

Principal Investigator, Graduate School Research Fund:
Ovarian Steroids and Arterial Blood Pressure, 1979-1980

Principal Investigator, Graduate School Research Fund:
Meal Pattern and Body Weight Change, 1981-1982

Principal Investigator, Alcohol and Drug Abuse Institute:
Gamma-Linolenic Acid and Ethanol Intoxication, 1985-1987

Principal Investigator, Graduate School Research Fund:
Area Postrema Ablation and Insulin Release, 1985-1987

Principal Investigator, Royalty Research Fund:
Egg Donation: Social attitudes, preferred donor characteristics and motivations/experiences of past egg donors. 2003-2005.
