

## NWSA Student Membership & Grant Application

As part of our departmental NWSA membership, we receive three student memberships each year. GWSS graduate students in good standing with the department may apply for these memberships on an annual basis.

In addition, the department is pleased to offer a fellowship stipend in the amount of \$1,000 to current GWSS graduate students attending the 2026 NWSA Conference as presenters.

Priority will be given to applicants who:

1. Will serve as a presenter or moderator at the 2026 NWSA Conference
2. Plan to attend the conference this year

If more than three students apply for memberships, preference will be given to those who have not previously received one.
